

TRAFFIC DISRUPTION DUE TO CYCLING RACE

**Montignac Lascaux
17 August 2019**

Dear Sir or madam,

A cycling race called « le Tour de l'Avenir » will take place in Montignac, on the 17th of August. For security reasons, you will not be able to use your car in the village between 11 am and 12.30 pm. Therefore, you will have to park your car before 11 am, that is to say, before the race starts. You will not be able to leave the car park before 12.30 pm.

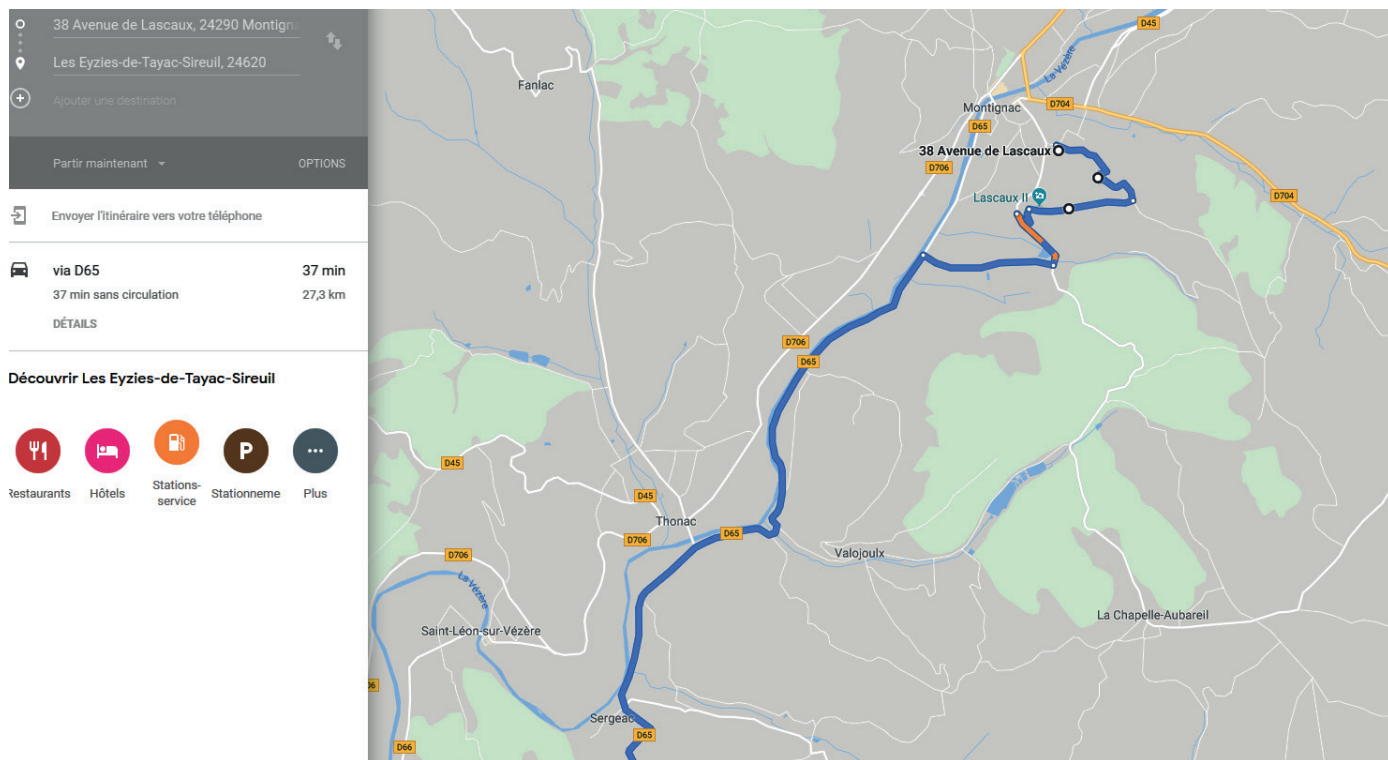

For these reasons, please, take precautions in order to make the most of your visit at Lascaux IV.

However, there will only be one access during these hours: from Les Eyzies-de-Tayac or La Chapelle Aubareil. You will have to head for Lascaux II and then continue until a place known as La Grande Béchade. We recommend you park your car there.

While waiting for the reopening of the roads, you will have the opportunity to discover the exhibition Regalia, Fierté Autochtone (translated in English) in free access in the lobby. You could use this time to have lunch or coffee at the Café Lascaux Restaurant or take full advantage of the spot to watch the racing cyclists from the outside of the building.

Thank you for your understanding,

Lascaux IV Team
