It is forbidden to circulate in the base with vehicles. Vehicles must park in such a way as not to hinder traffic or the installation of new arrivals. Guests and visitors must park outside the camp.

3. RESPECT FOR THE CAMP The camper must respect the terrain and its equipment and, to this end, must refrain from any action that could harm its cleanliness, hygiene and appearance.

Any dog owner or handler is required to proceed immediately by any appropriate means to the collection of dog excrement.

Musical instruments and other sound equipment must be used with discretion, which means: moderate intensity during the day and complete stop after 10pm (11pm on Saturdays).

Between 10pm (11pm on Saturdays and the day before public holidays) and 7am, absolute silence is required.

Motorists arriving late are asked to leave their cars in the outside car park (barrier times: 7am-10pm).

5. PAYMENT In case of payment on departure, payment must be made before the camper leaves the site, the day before if the camper intends to leave before the opening time of the reception office.
